football gameplay experience in the series' storied history, FIFA 20 will deliver the most unpredictable and authentic matches. FIFA 20 is rated "Teen" by the ESRB. What is the game rated "Teen"? FIFA 20 includes content that may be suitable for persons ages 16 and 17. Where can I buy this game? Get started with the latest release of FIFA Soccer, either online (PlayStation®Network) or on your favorite gaming console via EA's Origin™ digital game delivery service. You can play the game and also download the game's demo in the U.S. and Canada for free on the PlayStation®Network and the Xbox Live® Games and Entertainment section for PC. A digital version of the game is also available via the App Store™ for iOS, Google™ Play for Android, and Amazon Appstore for Android. Anything else I should know? An emphasis on playing in the most authentic way possible is the hallmark of FIFA. For a long time players have relied on "managing" players and coaches to make this happen, but in recent years with the introduction of FIFA Mobile, we've seen a change in perspective: the power is back into the players' hands to dictate how the game will play. Every coach and player has their own distinct playing style with its own preferences, and in FIFA that is now determined by the player. This focus on player-directed play is also highlighted by the introduction of the "Playmaker" app, which allows players to share their individual playstyle preferences in each position, ensuring they can adapt on the field to the ever-changing game that evolves into every game. This in-depth analysis takes the game a step closer to the real-life game than ever before, giving players

**FIFA is the world's leading videogame franchise. It has sold over 140 million units worldwide since it was first published in August 1989. In the past, it has been recognised as one of the industry's most successful games. FIFA 20 is the most ambitious FIFA title yet, featuring brand new features and gameplay innovations across all modes. With over 300 brand-new players and over 600 real players ready for action, and a brand new Career Mode, FIFA 20 contains the most comprehensive gameplay of all time. FIFA 20 is the most ambitious FIFA title yet, featuring brand new features and gameplay innovations across all modes. With over 300 brand-new players and over 600 real players ready for action, and a brand new Career Mode, FIFA 20 contains the most comprehensive gameplay of all time. What is Player Impact Engine? The Player Impact Engine is a proprietary AI algorithm, that enables players to shape the course of matches and impact outcomes with their tactical play. It generates unique behaviour from the players on the pitch, allowing them to make those small but often crucial decisions that can change the game. The Player Impact Engine gives a greater range of freedom and control to the players on the pitch, allowing all players to have an impact in the match. The Player Impact Engine also increases the variety and tempo of gameplay. The engine brings an unprecedented level of situational awareness into the game. **the ball. Now, they have greater freedom of movement, while still able to make the small yet decisive impact on the match. By giving players a greater capacity to make instant, decisive decisions, the Player Impact Engine creates gameplay that is more unpredictable and variable. How does it work? The Player Impact Engine reacts to the tactics used on the pitch, the formation of the opposition team, the state of the pitch, and player position on the pitch. It also reacts to the 'fan experience', the mood of the crowd, and the result of the previous five minutes of action. Together, these factors help to form a true and complex AI system. In the past, the AI decisions made by players were based on predetermined algorithms. The Player Impact Engine is the first in FIFA, where the decisions made by players are directly affected by a change in the game state, enabling individual players to make one of many possible decisions. Through that, a game has**
